RECALL THE OSCAR AWARD FOR THE BEST "DOCUMENTARY" FROM MICHAEL MOORE

To: The Academy of Motion Picture Arts and Sciences

Dear Ladies and Gentlemen:

We, the undersigned, urge you, members of the Academy of Motion Picture Arts and Sciences, to investigate and—if necessary—recall the award for BEST DOCUMENTARY FEATURE presented to BOWLING FOR COLUMBINE, its director Michael Moore, and producer Michael Donavan based on the following allegations:

1. This "documentary" includes numerous scenes that were fabricated, staged, or taken out of a context;
2. Numerous "facts" and "documents" were also altered, fabricated, or taken out of context; and
3. The film's classification should be changed from "documentary" (or implied "non-fiction") to "fiction" and its Academy Award for Best Documentary should be revoked.

Furthermore, if the investigation concludes that the above actions were willfully concealed from the Academy, Michael Moore should be prosecuted under the law for perpetrating fraud on the Academy and the thousands of members it represents.

In conclusion, we, the undersigned, would like to inform the honorable members of the Academy that, should you choose not to take any action, you will become a party to the alleged fraud and treated accordingly.

We, The People.

Sincerely,

The Undersigned
